<input type="checkbox"/> DTSC may post our hospital system members on their website as working towards the goal of mercury-free.	
<input type="checkbox"/> Once a hospital becomes mercury-free, DTSC may post names photos of our award recipients on their website.	
<input type="checkbox"/> Our Hospital System is interested in a two hour training session on mercury reduction for our members.	
<input type="checkbox"/> Send our member hospitals the CD with mercury verification and elimination tools.	
<input type="checkbox"/> I would like our Publicly Owned Treatment Works (POTW) to help with local involvement.	
<input type="checkbox"/> Sign our system hospitals up as partners with Hospitals for a Healthy Environment (H2E). Once a hospital receives recognition by the State of California for mercury elimination, they will also receive the Making Medicine Mercury-Free Award from H2E. For more information, see H2E's website and Partner Registration Pledge Form at http://www.h2e-online.org/about/index.htm .
